Dear All Coordinators:

Re: **Social Security # and card copy**

We have recently received a number of rejected entries from U.S Customs due to the mismatched social security #s provided by the importer/shipper on his/her Supplemental Declaration. We find that the numbers reported on the Supplemental Declaration by the importer are often time transposed or there is a change in the name and/or surnames, which creates a mismatch when Customs cross-reference the data with the Social Security department.

In order for us to ensure that the social security # is provided correctly, we request that you include a copy of the importer's U.S Social Security card along with the rest of the customs forms to ensure timely customs entry. If a copy is not available, please have the importer fill out the below.

Please kindly make a note of this to all of your booking agents for all future shipments.

Kindest Regards,

I verify that the Social Security # provided on my Supplemental Declaration and listed here on this form as _____ - _____ - _____ is correct.

The *exact name* as shown on my Social Security card is:

Signature: _____
